

CONGRESSMAN KING LAUNCHES CAMPAIGN TO 'OUTLAW REDS'

California Congressman Cecil R. King last week launched a new campaign to "outlaw" the Communist party in the United States and label its members as criminals and traitors.

The Red conspiracy in this country may prove more dangerous than an armed foe, the Southern California legislator warned as he called for action on a national level to curtail the activities of those who would destroy our government by force and violence.

The usual criticism of such a step, that it would send the Communists underground, is not valid, King told a meeting of the South Bay American Legion Post 184, because the party already is an underground organization "and has been for years."

The veteran congressman centered his remarks around a bill (H. R. 5941) which he introduced in the House of Representatives last June and now under study by the Judiciary Committee. The measure will be acted on at the next session of Congress.

A companion measure was introduced in the Senate by Senator Margaret Chase Smith (R-Maine).

Another oft-heard argument against national legislation to brand the Communists as traitors, that it would be "an abridgement of our Constitutional liberties" likewise was groundless.

"Our Constitution and the Bill of Rights," he declared emphatically, "does not guarantee the right of espionage or sabotage, or the right to disrupt our freedoms in the service of a dictatorship which denies all freedoms."

Congressman King cited U. S. Supreme Court decisions that found "the general goal of the Communist Party was to achieve a successful overthrow of the existing order by force and violence." He also told of a Supreme Court finding that "affirmed the general power of Congress to legislate against activities looking to the overthrow of the Government of the United States."

The Legionnaire Congressman, who as a member of the California Legislature first voted to outlaw the Communist Party 14 years ago, is now a ranking member of the House Ways and Means Committee. As chairman of the King Committee in the 82nd Congress he gained national recognition for his work in cleaning up corruption in the Bureau of Internal Revenue.

King stated that under current security regulations, a Communist or a former Communist cannot hold a federal job, but a Communist can still legally run for the office of President of the United States. "Such an inconsistency should certainly be eliminated," he declared.

"The Communist Party of the United States," King said, "is not in any way a movement deserving the protection of the Bill of Rights." "Communists in the United States are not members of a political party seeking to establish a new form of government, of, for and by the people of the United States, — but rather are revolutionary conspirators directed by and in the interest of a foreign government."

The Congressman is seeking public support from all organizations and individuals for the prompt enactment of his bill when Congress convenes next month.

King's measure is the only one before the House of Representatives that seeks to outlaw the Communist Party in the United States.

Education Consultant Appointed

Ross Sciarrotta, Sr. 1630 Beech St., was appointed consultant to the National Education Association Citizenship Committee, the largest teacher-organization in the country.

The organization's aims are to raise the local teachers' association to the level of prestige comparable to the local chamber of commerce, the local medical association, and other such groups.

Sciarrotta, who teaches in Long Beach, will appoint a group of five individuals to help him promote these aims in that area.

100,000 Letters

Thursday's mailing load was over 100,000 letters from 9 a.m. to midnight December 17, according to Mrs. Clara Conner, postmistress.

THINGS TO COME — Shelf paper that glues in place brings the glue up with it when peeled off, its maker claims.

Income Tax Lectures To Be Given

Logan R. Cotton, of the accounting firm of Cotton & Francisco, has been announced as the lecturer for a series of talks on Income Tax to be given under the sponsorship of the Torrance School of Adult Education.

The series, to be held Tuesday, January 5, Thursday, January 7, Tuesday, January 12 and Thursday, January 14 at Torrance High School from 7:30 to 9:30 p.m., will include such subjects as "Preparation of 1953 Income Tax Return," "Income Tax Procedures," "Account Keeping for Federal and State Tax Purposes," "Income Tax Problems as they pertain to you." Lectures will be followed by a question and answer period.

Dr. Marshall R. Crawshaw, director of the School of Adult Education, announces that this course will be open to the public. Students may register with the instructor at the beginning of the class, Tuesday, January 5.

A large attendance is anticipated since this is a subject which should be of great interest to small businessmen as well as individuals interested in learning to correctly prepare and file this year's tax returns and set up correct record systems for future tax use.

Rug Class Proves Popular

The rug-making class of the Torrance Adult School is now featuring hooked and braided rugs, mats, cloths and a variety of items made of wool, cotton, and linen. Held each Wednesday afternoon from 1 to 4 at the Torrance Baptist Church, each woman works on an individual project as part of her home-building or gift-giving campaign.

"At virtually no cost—with throw-away ties, shirts, and dresses, a woman can make startling colorful patterns and lighten and beautify the home," says Wilma Johnson, instructor of the course. "Women who have never touched a sewing needle surprise themselves and their families by turning out actual masterpieces—a variety of 3x5's, and sometimes elaborate 9x12 woolen, braided rugs. Rugs frequently make the difference between a house and a home," says Miss Johnson. "And the little effort expended brings a life-time of enjoyment and home appreciation."

All adults, regardless of residence, are invited to attend this class. Go directly to the Baptist Church, at the corner of Carson Street and Manuel, at one o'clock. Telephone FA 8-2272 for further information.

A-S PARK CLUB HOLDS PARTY

Larry Felt, Jim Bergman, Loren Dome, and Ronald Libby represented Avalon - Sepulveda Park Saturday, December 12, in the pee wee division, and Ray Watson, Bob Negrete, Walt Wendell, and Bob Coker represented the park in the midget division at Athens Park in the Los Angeles Times passing, catching, and punting contests.

Larry Felt took third in his division followed by Loren Dome in fourth place, Ronald Libby in fifth and Jim Bergman in eleventh place out of about 30 boys participating.

In the midget division Ray Watson took fourth and Bob Negrete took seventh out of a field of about 35 boys.

The Stork Reports

Mr. and Mrs. Johnnie Bruhanek, of 20525 Elliott St., announce the birth of a son whom they have named Johnnie Davy Bruhanek. The new infant was born on Dec. 8, 1953 at 2:46 a.m. Torrance hospital and weighed 8 pounds and 5 ounces. This is their first child. Paternal grandparents are Mr. and Mrs. Henry Bruhanek, of 20814 Oak Ave., Torrance, Calif. Maternal grandparents are Mr. and Mrs. J. R. Snuffer, of 20603 Elliott Ave., Torrance, Calif. The infant's father is employed at North American Aviation, Inc.

Mr. and Mrs. John G. Ford of 25009 Pennsylvania, Lomita, announce the birth of a daughter, whom they have named Jacquelyn Sue. The new infant was born on Dec. 8, 1953 at Torrance Memorial hospital and weighed 8 pounds and 13 1/2 ounces. She has one sister, Debra Jean Ford, one year old. Paternal grandparents are Mr. and Mrs. Joseph V. Worland, of 2473 West 250th St., Torrance and Mrs. J. J. Grayson, R. 2, 34416 1/2, Michigan; maternal grandparents are Mr. and Mrs. Ernest G. Ford of 94 Oakland Terrace, Hartford, Conn. The infant's father is employed at Douglas Aircraft, Torrance.

Capt. Kline HEARING SET FOR JANUARY

Capt. Arnold R. Kline's hearing on charges of converting government property to his own use while commandant of the Navy Supply Depot, Torrance Branch was postponed last week till January 25, 1954 in order to permit Captain Kline and his counsel to gather more detailed information.

At a previous hearing, the officer lost one round and won another when Federal Judge Harry C. Westover denied a motion to quash the indictment but ruled in favor of Captain Kline's demand for a bill of particulars itemizing materials and labor contained in the charges.

The indictment charges that while directing the depot Captain Kline ordered civilian mechanics to overhaul the engines of three automobiles and one jeep owned by him, also had government tires installed on the vehicles.

In addition, the indictment said the captain had Navy civilian personnel reupholster personal furniture and install cabinets in his home. Defense Attorney Joseph Stone, in arguing the motion to quash, declared that the indictment was not backed up by sufficient evidence to support it.

The bill of particulars is to be prepared by Assistant U.S. Attorney Manuel L. Real of San Pedro, who is prosecuting the case. Real put up stiff opposition to the court order for the written details of the charges. But Judge Westover ruled that the particulars were essential in determining whether or not the charges would constitute a misdemeanor or a felony.

The court said that if labor materials involve cost more than \$100, then the alleged offense would be a felony; if under \$100, a misdemeanor.

BESWICK AWARDED CONTRACT

The bid on the four classroom wings for the Walteria elementary school went to the Beswick Construction Co. for \$68,117. There were 12 bidders. This addition will be paid for out of federal funds under public law 815.

Fluoridation Voted Down By Committee

A special committee of the Chamber of Commerce has decided to oppose fluoridation of the city water supply at this time was announced this week. Headed by Fay Parks, the committee studied the method, used to prevent tooth decay in children, for several weeks before disclosing its recommendation.

The committee official said that it would take 10 or 12 years to determine what the effects of fluoridation of the water would be, and that they felt it would be unwise to test the method until more conclusive evidence is available.

Conflicting medical testimony on the subject both defends and opposes fluoridation as advisable.

The committee hinted that it might be wise to consider the fluoridation later "in 10 to 12 years."

Dr. Gerald Eastman and J. H. Paget also served on the committee.

Exceptional Children Given Party

Wednesday night, December 16, Mrs. Orville O. Figge, president of the Klipwings, presented a basket of Christmas gifts to the children of the San Pedro Chapter of the Exceptional Children's Foundation at their Christmas party. The party was held at the Toberman Settlement House in San Pedro.

Klipwings and ex-stewardesses throughout the country have chosen to help mentally retarded children, since they are children who are not acceptable in public schools. However, they can be trained, as at the Toberman Settlement House, to take care of their daily necessities so as to better fit into their homes. "Many of these children come from normal parents and have normal sisters and brothers. The Exceptional Children's Foundation was formed by parents who decided to cooperate in establishing a school to teach these children who could not have access to regular school systems.
